

YOU ARE INVITED TO...

APPLIED HISTORY: VIPR TEAM OPEN HOUSE

March 19 / 5-6 pm

Main Library, Data Studio Room 300

LIGHT
REFRESHMENTS

This event is a presentation of UGA's 2026 Humanities Festival

Join us to discover and honor the work that students in Dr. Kevin Jones's Applied History VIPR class have been doing all year to consider how better understanding the past can help make better decisions now for the future. Students have been collaborating on projects that highlight the principles of Applied History through a series of policy case studies based on original historical research and written for public audiences.
